

European Computer Science Summer School

The Faculty of Science & Technology at University Jean Monnet in Saint-Etienne launches the first edition of its **European Computer Science Summer School** (EC3S). It will take place over two weeks from the 27th of June to the 9th of July 2016.

We would be very grateful if you could disseminate this information in your institution, especially towards your Science students.

If your students are interested in scientific training in computer science (3 ECTS) coupled with a taste of French culture, this is the right Summer school for them!

Note that students from partner universities benefit from a discount.

Participation cost: 900 € (including administration costs, full health and accident insurance coverage, tuition fees and course material, accommodation for 15 nights in fully equipped residences, breakfasts & lunches)

Application deadline: 15th of June 2016

Full program, registration and contacts: <http://ec3s.univ-st-etienne.fr>
