

## Discount to students from VIA's partners

We are getting close to the deadline for VIA Summer School and we would like to encourage students from our partners to join VIA Summer School 2019. We offer 10% discount on the tuition fee to all students coming from our international partner institutions.

Few spots available

## United Nations' Sustainable Development Goals - tuition fee waiver to students from VIA's partners

We are happy to let you and your students know, we still have a few free spots available to students from our partner institutions in our innovative United Nations' 17 Sustainable Development Goals and Co-Creation course (10 ECTS) at VIA Summer School in Aarhus this summer.

NB: To be eligible to get one of the free spots, students must be able to transfer the credits back into their current degree programme.
