

CALL FOR STUDENTS APPLICATIONS

PhD Program Molecular Medicine (MolMed)

Start of the projects: October 1, 2015

Application deadline: March 29, 2015

The Medical University of Graz offers an international PhD program in "Molecular Medicine" that provides an in-depth, multidisciplinary training in biomedical research in a stimulating international environment. The thesis projects focus on aspects of various aspects of metabolic diseases, inflammation, and cancer and integrate basic, applied and clinical sciences, as well as a wide spectrum of experimental techniques.

POSITIONS

Selected PhD students get employed for 3 years with a contract that includes social benefits.

WHO CAN APPLY

Applicants must hold (or be close to obtaining) an undergraduate degree equivalent to a Master in any discipline of natural or life sciences or medicine. The selection procedure, all training activities and communications will be in English. Thus, excellent written and spoken English skills are required.

HOW TO APPLY

Application are made exclusively through the online platform mug.glowbase.com. Please do not send any documents by regular mail or e-mail unless you are explicitly asked to do so by our staff. There is no application fee.

Further information about the program, open projects and the online application procedure are available at: <http://www.medunigraz.at/themen-studieren/phd-medizin/application/>
