

The 11th Jean Monnet International Summer School "*International Environment and the European Integration*"

Faculty of Economics, University of Rijeka, Croatia

June 29 to July 11, 2015

The goal of the EFRI Summer School is to broaden the knowledge of students of *economics, law, political sciences, administration and other related studies on the economic integration process in Europe*, and to point out the advantages and challenges of economic integration in everyday life. At the same time, as a joint project with the International Initiative for *Policy Making and Politics at the Local Level*, this is the **5th POL-LOC Summer School**. The programme will give a special focus to issues related to local governance and the repercussions of the Integration process on the local level. This joint programme will consist of lectures, round-tables, workshops and student assignments to be completed in groups with the support of academic supervisors.

All the information and the application forms are available at the following website:
