College of Europe - Master Programmes

With 65 years of experience in the field, the College of Europe offers fully accredited Master level programmes in:

- European Economic Studies*;
- European Economic Studies (Specialisation: European Economic Integration and Business);
- European Legal Studies (LL M);
- European Political and Administrative Studies*;
- EU International Relations and Diplomacy Studies;
- European Interdisciplinary Studies – The Internal and External Dimensions of the EU.

* As of next academic year, the College of Europe launches an exciting new option specialising in public policy design, implementation and assessment called **European Public Policy Analysis**. The new option is open to students of the European Economic Studies Programme and of the European Political and Administrative Studies Programme in Bruges. (see: www.coleurope.eu/eppa)

As well as its rigorous academic programmes, the College offers a unique international environment. Every year about 450 students from more than 50 countries join the College in its campuses in Bruges (Belgium) and Natolin (Warsaw, Poland). They live and work together, preparing for careers in demanding international and multicultural environments.

Applicants must have completed a university degree relevant to the chosen programme of studies and have a good knowledge of English and French, the two working languages of the College. The application deadline is usually 15 January. **Over 70% of students receive full or partial scholarships.** More information about scholarships and other financial support is available at www.coleurope.eu/scholarships.
