**OWN CONTEST PROCEDURE
A
FACULTY OF CONSTRUCTION,
CADASTRE AND ARCHITECTURE
FOR EMPLOYMENT
TEACHING AND VACANCY RESEARCH POSTS**

Valid since academic year 2018-2019

In the Faculty of Construction, Cadastre and Architecture, teaching or vacancy research posts are for indefinite duration only by **public competition**, according to:

- Law No. 1/2011,
- H.G. No. 457 on the approval of the framework methodology of the competition for the occupation of teaching posts and vacancies in Higher education (published in M.O. part I, No. 371/26.05.2011)
- Its own competition methodology for the indefinite occupation of teaching and research vacancies in the University of Oradea, approved in the University Senate of Oradea at 26.11.2018
- Provisions of the OMENCS No. 6129 of 2016 on minimum standards for accepting participation in competitions for the conferment of higher education and professional research and development degrees;
- Of this procedure, hereinafter referred to as the **Own procedure of the Faculty of Construction, Cadastre and Architecture**;
- Other normative acts in force on the date of support of competitions.

The competition for the occupation of teaching and research vacancies for an indefinite period of the Faculty of Construction, Cadastre and Architecture is carried out in accordance with this procedure and with the "*Own methodology of competition for the occupation of teaching and vacancy research posts in the University of Oradea*" adopted by the decision of the University Senate Annex 11/26.11.2018 regarding the updating of Annex 3 to the Charter of the University of Oradea.

The competition methodology of the University of Oradea is available on the website of the University of Oradea www.uoradea.ro.

All information relating to the contest will be published on the webpage of the University of Oradea, www.uoradea.ro, button contests on posts.

Given the specifics and requirements of each field, the Faculty of Construction, Cadastre and Architecture develops its own competition procedure which is a complement to the "*Own methodology of competition for the occupation of teaching and vacancy research posts in the University of Oradea*" adopted by Senatului academic judgment in annex 11/26.11.2018 of the University of Oradea.

The general aspects, the entry to the competition and the contest, as well as the annexes, are found in the "*Own methodology of competition for the occupation of teaching and vacancy research positions in the University of Oradea*". Exception are article 9, annexes No 3 and No. 6,

whose modifications and format are presented in the own procedure of the Faculty of Construction, Cadastre and Architecture.

Art. 9

(1) The conditions for enrolling in the competition for the occupation of a teaching function are those provided by the present article regarding the fields of civil engineering, geodetic engineering and architecture, specific minimum standards will be applied.

(2) For the position of university assistant, cumulative requirements are required:

- a) The holding of the PhD Diploma in the field of the post taken in the contest or in close areas;
- b) Publication of a minimum of 3 scientific papers (in extenso or in summary) in a reference magazine/volume Conference for the field of fasting indexed in an international database [BDI], quoted or indexed magazines and Thomson Reuters-Category A-cnscis; ISI Proceedings.
- c) Promotion of three competition samples, on the assessment of specialized knowledge in direct accordance with the disciplines of the post taken in the contest:
 - 1) *Practical sample* (support of a seminar or practical work in front of students and in the presence of the competition Committee);
 - 2) *Oral sample*.
 - 3) *Written sample*

The result of the competition samples is appreciated by each member of the Commission by grades 1 to 10, the note of the sample representing their arithmetic average.

(3) For the position of university lecturer / head of works, cumulative requirements are required:

- a) The holding of the PhD Diploma in the field of the post taken in the contest or in close areas;
- b) Publication of a minimum of 5 works (in extenso or in summary) in a reference magazine/volume Conference for the field of fasting indexed in an international database [BDI], quoted or indexed magazines SE Thomson Reuters-category A-CNCSIS; ISI Proceedings.
- c) Publication of at least one specialty book in any of the subjects of the post under the aegis of nationally or internationally recognised publishing houses.
- d) The elaboration, at least in electronic form, of a specialised teaching material for the use of students in the field of the post taken to the competition;

(4)For the position of senior lecturer cumulative requirements are required:

A) The holding of the PhD Diploma in the field of the post taken in the competition or in close areas;

b) The fulfilment of the minimum national standards for the employment of didactic posts, specific to the teaching function of the senior lecturer, related to the field of the post taken to the competition, approved by order of the minister, according to art. 219, para. (1), lit. A) of law No. 1/2011;

(5) For the position of university professor cumulative requirements are required:

A) The holding of the PhD Diploma in the field of the post taken in the competition or in close areas;

b) Holding the quality of doctoral leader;

c) The fulfilment of the minimum national standards for the employment of teaching positions, specific to the teaching function of the university professor, related to the field of the post, approved by order of the minister, according to art. 219, para. (1), lit. A) of law No. 1/2011;

Final provisions

1. This **Own competition procedure of the Faculty of Construction, Cadastre and Architecture for the occupation of teaching and vacancy research** has been approved by the Council of the Faculty of Construction, Cadastre and Architecture at the meeting of the day of 23.04.2019 and will enter into force following the approval of the SENATE OF THE UNIVERSITY OF ORADEA

10.05.2019

1. in order to Enroll in the competition for the employment of a teaching and research post, the candidate shall draw up a dossier containing the following documents:

No. crt.	DOCUMENTS SUBMITTED	YES	NO
1.	The application for registration to the contest, signed by the candidate accompanied by a declaration on his own responsibility regarding the veracity of the information presented in the file - standard model (Annex 1)		
2.	Proposal for the development of the candidate's university career, both from a didactic point of view and from the point of view of scientific research activities – <i>if appropriate</i> .		
3.	Curriculum Vitae according to the framework methodology, art. 14.		
4.	List of works according to the framework methodology, art. 15.		
5.	Verification sheet for meeting the minimum standards for employment (Annex 3).		
6.	The copy of the PhD Diploma in Science and, where it has been obtained abroad, the attestation of recognition or equivalence of it by the Romanian state-will present the original document for compliance		
7.	For the posts of University professor, copy of the Order of the Minister certifying the empowerment/right of doctoral leadership and, if obtained abroad, the attestation of recognition or equivalence by the Romanian state.		
8.	The summary of the thesis and, where applicable, the empowerment Thesis, on the maximum one page each, in the language Romanian and in English.		

9.	Declaration on your own responsibility that it is not in any incompatibility situation provided for in law 1/2011 (National Education Law) and framework methodology issued at national level.		
10.	For the posts of University professor, the list of referents containing at least 3 names and contact addresses of such personalities from abroad, who agreed to draw up letters of recommendation regarding the candidate's professional qualities (<i>Annex 4</i>).		
11.	For Senior lecturer posts, the list of referents containing at least 3 names and contact addresses of personalities in that field, in the country or abroad, who agreed to draw up letters of recommendation regarding the candidate's professional qualities (<i>Annex 4</i>).		
12.	For the occupation of higher education positions of the head of works or lecturer, except for posts from subjects who do not have the correspondent in the network of Health Ministry and those from preclinical disciplines, must be fulfilled In addition to the condition of holding the title of specialist in the job specialty.		
13.	Copies of other diplomas or certificates of recognition certifying the candidate's studies: Baccalaureate Diploma, Bachelor's degree, Master's degree-the original documents for compliance will be presented.		
14.	Copies of Matricole sheets, diploma supplements or school situations issued for each study cycle-the original documents for compliance will be presented.		
15.	Copy of the identity card or passport, or other document equivalent to the identity card or passport-the original documents for compliance will be presented.		
16.	If the candidate has changed his name, copies of the documents certifying the change of name – marriage certificate or proof of change of name-will present the original documents for compliance.		
17.	Medical certificate from which it follows that it is fit to carry out didactic activity.		
18.	A Maximum of 10 publications, patents or other works, selected by the candidate and considered to be the most relevant for their professional achievements.		
19.	Consent to the processing of personal data by U.A.		

2. If there are works that are not available in printed format or cannot be scanned (theatrical or musical interpretations, paintings, etc.), records or photographs shall be submitted.

3. a CD/DVD or other electronic format shall be Attached to the contest file, with all its contents scanned, for transmission to the Competition Commission and uploading the dossier to the site. The list of papers, the CV and the verification sheet (annex 3) will be scanned as separate files without exceeding 10 MB together. The scanned documents will not show the candidate's personal data (photo, CNP, home address, signature, etc.).

Checked when submitting the file

I. EVALUATION OF DIDACTIC AND SCIENTIFIC ACTIVITY

Type of activities	Categories and Restrictions	Subcategories/Activities	Indicators/Scores	Self assessment (Total = Unit score No. x)	Commission member assessment
1. Didactic and professional activity (A1)					
1.1	1.1 Books, university courses and chapters in specialty books	1.1.1. Books, university courses/chapters as Author: MINIMUM 2	1.1.1.1 internațională	No. Pages/(2 * No. Authors)	
			1.1.1.2 națională	No. Pages/(5 * No. Authors)	
		1.1.2 Books, university courses/chapters of books as editor/Coordinator	1.1.2.1 internațională	No. Pages/(3 * No. Authors)	
			1.1.2.2 națională	No. Pages/(7 * No. Authors)	
	1.2 Coordination of programmes of studies, organisation and coordination of continuous training programmes and educational projects (POS, Erasmus, Socrates, Leonardo, SA)	Unique score for each activity		10	
TOTAL DIDACTIC AND PROFESSIONAL ACTIVITY (A1)					
Research activity (A2)					

2.1 Articles in magazines Quoted Thomson Reuters and in indexed volumes ISI Proceedings * The Impact Factor (FI) of the magazine is the year of publication of the article	8 Items or more -of these minimum 2 must be in magazines with FI > 1 and minimum 2 in magazines with FI > 0.5.		(25+20*FI)/nr. Authors		
2.2 Articles * in magazines and volumes of scientific manifestations indexed in international databases (BDI) * * * articles indexed in ISI WOS which are not taken into account in criterion A 2.1 may be equated with BDI articles in Form 1 workindexed in ISI Web of Science is equivalent to an indexed work in international databases. * * The databases considered are: Scopus, Wiley, Springer, Science Direct, IEEE, Engineering Village, ProQuest, Ebsco.	Minimum 12		20/Nr. By authors		
2.3 Patents registered at OSIM or WIPO		2.3.1 Rated ISI	50/Nr. By authors		
		2.3.2 International, unquoted ISI	35/Nr. By authors		
		2.3.3 națională	25/Nr. By authors		
2.4 Grants/Projects * won through competitions that finance research activities. * By Grant/research project won by competition, it is understood that funds must be attracted simultaneously for: staff expenses, capital expenditures, logistics expenses (small value items and consumables), movements and directed by the university.	2.4.1 Director (for the Coordinating institution)/responsible (for the partner institution)- minimum 2	2.4.1.1 internațională	20 * Number of years of deployment (proven by contract)		
		2.4.1.2 națională	10 * Number of years of deployment (proven by contract)		
	2.4.2. Member of the grant implementation team	2.4.2.1 internațională	10 * Number of years of deployment (participation is proved by timesheets)		
		2.4.2.2 națională	5 * Number of years of deployment (participation is proved by timesheets)		

2.5 In charge of research/consultancy projects (each project considered in the calculation of the score must be worth at least 50000 lei for the institution to which the manager was/is a holder)			5/project (it proves by contract)		
TOTAL RESEARCH ACTIVITY (A2)					
3. Recognition and impact of the activity (A3)					
3.1 Citations in ISI and BDI magazines and in the volumes of ISI and BDI conferences (do not take into account the quotations from articles that have as author or co-authored the candidate (s)) (FI is the impact factor of the magazine in which the candidate/candidate publication is quoted)	Minimum 15 Citations	3.1.1 Articles in listed magazines ISI	10.0 * FI/No Authors		
		3.1.2 Articles in the volumes of indexed scientific manifestations	2, 5/No Authors		
		3.1.3 Articles in BDI indexed magazines	2.0/No Authors		
		3.1.4 articles in the volumes of scientific events indexed BDI	1.0/No Authors		
3.2 Presentations invited to the plenary of national and international scientific manifestations (keynote-speaker) and guest professor to support course Modules/lectures (exclusive ERASMUS)	Unique score for each activity	3.2.1 internațională	10		
		3.2.2 națională	5		
3.3 Member of the editorial board or scientific committees of scientific journals and manifestations, organizer of scientific manifestations; Census for magazines and scientific manifestations	3.3.1- minimum 2 editorial and minimum 8 reviews 3.3.2- minimum 2 editorial and minimum 8 reviews 3.3.3 -Minimum 2 scientific committees and minimum 12 reviews Obs. For magazines, scientific committees and international scientific manifestations, the minimum values specified above shall be divided by 2	3.3.1 Member of the editorial board or reviewer for listed magazines ISI	10		
		3.3.2 Member of the editorial board or census reviewer for BDI indexed magazines	6		
		3.3.3 member of scientific committees, organizer or census for scientific manifestations	4		

3.4 Experience of university management or research		3.4.1 Management functions (Rector, Prorector, Dean, Vice-dean, Department director, doctoral school director, Director General, Scientific director, Deputy Director, Head of department, Head of Laboratory)	5 No. de neither		
		3.4.2 member in governing bodies (Senate, Faculty Council, Council. Scientific)	2* No. de neither		
TOTAL RECOGNITION AND IMPACT OF ACTIVITY (A3)
