

Description of position 7 Mechatronics

Field name	Description
University	University of Oradea
Faculty	Faculty of Management and Technological Engineering
Department	Mechatronics Department
Position in the Staff Establishment	7
Job title	<i>Associate Professor</i>
Disciplines in the curriculum	Flexible Manufacturing Systems(C+L), Programmable Logic Controllers(C), Sensors and Sensor Systems (C), Flexible Processing Systems(C)
Scientific field	Mechatronics and Robotics
Description of the opened position	<i>Associate Professor position 7</i> Flexible Manufacturing Systems 2 hours of lecture and 1 hour of laboratory in the second semester for 4th year students in Robotics, Programmable Automation 2 hours of lecture in the first semester for 3rd year students in Mechatronics, Sensors and Sensor Systems 2 hours of lecture in the second semester for 1st year students in Mechatronics, , Flexible Machining Systems 2 hours of lecture in the second semester for 4th year students in IEDM.
Attributions	This post contains teaching activities for the subjects Flexible Manufacturing Systems (C+L) and teaching activities for the subjects Programmable Logic Controllers (C), Sensors and Sensor Systems (C), Flexible Processing Systems (C). Other duties: assessment activities (laboratory work, exams, mid-term checks, semester resits, autumn session resits, summer and autumn session graduation exams); consultations; tutoring; individual training (self-improvement); participation in conferences, symposia, congresses, etc. organised in the main field of activity or in interdisciplinary fields; setting up and modernisation of laboratories; participation in international programmes to which Romania is a party; improvement of one's own pedagogical training; preparation of textbooks, tutorials, problem and test books and other teaching materials; activities provided for in the department's internal research plan; activities in research centres provided for in the internal plan; preparation of specialist books provided for in the internal plan.
Gross salary	5932 lei
Date of publication of the announcement in the Official Monitor	27.04.2022
Beginning and end of the registration period	27.04.2022- 19.08.2022
Date, weekday and hour or the lecture (se completează - în intervalul 05-07.09.2022)

Place of the lecture	T 211
Dates of the stages of the contests, including lectures, courses etc. (se completează - în intervalul 05-07.09.2022)
Date of results publication (se completează - în termen de maxim 2 zile lucrătoare de la finalizarea concursului)
Dates for contesting the exam procedure (se completează - 3 zile lucrătoare de la comunicarea rezultatului)
Topics for the contest	Se trimite document separat, care conține tematica și bibliografia de concurs
Description of contest procedure	The Contest Procedure of Faculty of Management and Technological Engineering
Lista de documente	According to the Methodology of the University of Oradea
Address where to send the contest file	University of Oradea Human Resources Department 1st Universității Street, Room I102A
Contest committee	The composition of the contest committee will be sent to registration desk until 16.06.2022 and via e-mail to kbronz@uoradea.ro
Methodology	Own competition methodology for filling teaching and research vacancies in the University of Oradea Competition procedure for filling teaching and research vacancies at the Faculty of Managerial and Technological Engineering.

**Head of Department,
Conf.dr.ing. Pater Sorin**
