Faculty of Mechanical Engineering  
Department of Transport Engineering and Logistics

5<sup>th</sup> INTERNATIONAL CONFERENCE

# TRANSPORT AND LOGISTICS

research • projects • practice

**Niš, Serbia 22 - 23 May 2014**

## ABOUT THE CONFERENCE

The 5<sup>th</sup> Conference **TIL 2014** represents a continuation of academic research by the Department of Transport Engineering and Logistics of the Faculty of Mechanical Engineering, University of Niš, with the following aims:

- Analysis and development of scientific basis in transport and logistics
- Analysis of transport and logistic functions and flows,
- Development of transport and logistic systems and technologies,
- Development and maintenance of transport equipment,
- Application of information technology,
- Presentation of transport engineering and logistics projects,
- Connecting science and practice.

## CONFERENCE PARTNERS

Faculty of Mechanical Engineering Niš

TU Sofia

Faculty of Mechanical Engineering Skopje

Serbian Association of Logistics

5<sup>th</sup> INTERNATIONAL CONFERENCE

# TRANSPORT AND LOGISTICS

research • projects • practice  
**Niš, Serbia 22 - 23 May 2014**

## PROGRAM COMMITTEE

Prof. Dr. Miomir Jovanović, Faculty of Mechanical Engineering Niš  
Prof. Dr. Zoran Marinković, Faculty of Mechanical Engineering Niš  
Prof. Dr. Wilibald Günthner, TU München  
Prof. Dr. Nada Barac, Faculty of Economics Niš  
Prof. Dr. Snežana Pejčić-Tarle, Faculty of Transport and Traffic Engineering Belgrade  
Prof. Dr. Jovan Vladić, Faculty of Technical Sciences Novi Sad  
Prof. Dr. Miroslav Georgijević, Faculty of Technical Sciences Novi Sad  
Prof. Dr. Milomir Gašić, Faculty of Mechanical and Civil Engineering Kraljevo  
Prof. Dr. Mile Savković, Faculty of Mechanical and Civil Engineering Kraljevo  
Prof. Dr. Nenad Zrnić, Faculty of Mechanical Engineering Belgrade  
Prof. Dr. Marin Georgijev, TU Sofia  
Prof. Dr. Božidar Georgijev, TU Sofia  
Prof. Dr. Slave Jakimovski, Faculty of Mechanical Engineering Skopje  
Prof. Dr. Janko Jančevski, Faculty of Mechanical Engineering Skopje  
Prof. Dr. Dušan Stamenković, Faculty of Mechanical Engineering Niš  
Prof. Dr. Milivoje Čučilović, Faculty of Technical Sciences Čačak  
Prof. Dr. Janko Jovanović, Faculty of Mechanical Engineering Podgorica  
Prof. Dr. Peđa Milosavljević, Faculty of Mechanical Engineering Niš

## ORGANISING COMMITTEE

Prof. Dr. Dragoslav Janošević, Faculty of Mechanical Engineering Niš  
Prof. Dr. Dragan Marinković, Faculty of Mechanical Engineering Niš, TU Berlin  
Assist. Prof. Dr. Goran Petrović, Faculty of Mechanical Engineering Niš  
Prof. Dr. Ljubislav Vasin, Military Academy Beograd  
Bane Petronijević, Beologistika Beograd  
Sasa Marković, M.Sc., TA, Faculty of Mechanical Engineering Niš  
Goran Radoičić, M.Sc., JKP Mediana Niš  
Predrag Milić, TA, Faculty of Mechanical Engineering Niš  
Nikola Petrović, TA, Faculty of Mechanical Engineering Niš  
Vesna Nikolić, PhD student, Faculty of Mechanical Engineering Niš  
Danijel Marković, PhD student, Faculty of Mechanical Engineering Niš  
Vojislav Tomić, PhD student, Faculty of Mechanical Engineering Niš  
**Dejan Žikić**, Faculty of Mechanical Engineering Niš

Second call

5<sup>th</sup> INTERNATIONAL CONFERENCE

# TRANSPORT AND LOGISTICS

research • projects • practice  
**Niš, Serbia 22 - 23 May 2014**

## CONFERENCE TOPICS

- **Technical Logistics:** Logistic systems, Continuous and non-continuous transport logistics, Transshipment logistics, Integral container transport, Warehousing and distribution logistics, Production and quality logistics, Logistic simulation, Packaging and graphic design.
- **Traffic Logistics:** Transport networks, Route design, Solving location problems, Technological chains of transport, Freight transport systems, Vehicle fleet control, Telematic systems, Traffic systems and vehicles.
- **City Logistics:** Flows and structure of city logistic systems, Goods and transport centres, Logistic centres and terminals, Eco logistics of urban environments, Waste logistic systems, Recycling technology.
- **Transport Engineering:** Drive systems, mechanisms and transmissions, Structural analysis and reliability, Ergonomics and control systems, Industrial product design, Examination and maintenance in transport engineering.
- **Logistics Management:** Business logistics, Logistics enterprise network, Logistic systems design, Performance management, E-logistics, Logistics information systems, Supply chain management, Warehouse management, Transport management, Modelling and analysis.

## PAPERS SUBMISSION

An abstract of approximately 300 words should be written in MS Word and submitted by e-mail [til2014@masfak.ni.ac.rs](mailto:til2014@masfak.ni.ac.rs) not later than **30<sup>th</sup> December 2013**. Abstracts should clearly state the purpose, results and conclusion of the work that will be presented in the final paper. The official languages of the Conference is English.

## CONFERENCE PROCEEDINGS

All accepted papers with the paid Conference fee will be published in the Conference proceedings and distributed to the participants of the Conference. Selected papers written in English and presented at the Conference will be published in the coming issues of journal **Facta Universitatis – Series: Mechanical Engineering** (the official journal of the University of Niš), web address: <http://facta.junis.ni.ac.rs/me/me.html>.

Second call

5<sup>th</sup> INTERNATIONAL CONFERENCE

# TRANSPORT AND LOGISTICS

research • projects • practice

**Niš, Serbia 22 - 23 May 2014**

## CONFERENCE **EXHIBITION**

The Conference should be complemented by an exhibition of:  
Development programmes for transport and logistics of our country and the European Union; Results of science workers and researchers from domestic and foreign universities and institutes dealing with transport and logistics; Manufacturing programmes of transport engineering of domestic and foreign manufacturers; Developed software, books, journals, and other publications on transport, transport engineering, and logistics. Interested exhibitors are to apply their exhibits to the Conference organiser before **1<sup>st</sup> May 2014**.

## **IMPORTANT DATES**

Abstract submission, **30<sup>th</sup> December, 2013**  
Notification of acceptance, **20<sup>th</sup> January, 2014**  
Deadline for papers, **1<sup>st</sup> April, 2014**  
Notification of full paper acceptance, **10<sup>th</sup> April, 2014**  
Registration of object for exhibition, **1<sup>st</sup> May, 2014**  
Final programme, **5<sup>th</sup> May, 2014**  
Papers presentation and exhibition, **22<sup>nd</sup>-23<sup>rd</sup> May, 2014**

## ORGANISING COMMITTEE **ADDRESS**

University of Niš, Faculty of Mechanical Engineering,  
Department of Transport Engineering and Logistics,  
18000 Niš, A. Medvedeva 14, Serbia.
