

## Profile

Stratagem Energy Ltd is an independent research and consulting group committed to work towards sustainable development in the areas of Energy, Environment, Transport, Tourism and Science.

We are implementing energy sustainable development by participating as partners in EU and local Co-funded projects in the areas of Energy Efficiency, Sustainability, Mobility, Urban Planning, Energy Audits and Renewable Energy Sources solutions.

Stratagem Energy Ltd is designing, implementing and monitoring the Sustainable Energy Action Plans (SEAP) for various Municipalities and Community Boards within the signing of the Covenant of Mayors. Our services including CO2 Emission Inventories, Implementing Measures for CO2 reductions and Financial Support from European Union funding schemes.
