

INNOVATION DAYS

INNOVATION DAYS 2024

APRIL 10 AND 11 FROM 10 AM TO 6 PM

**A face to face event synchronized with
9 different universities to develop new
solutions for societal challenges**

Know more about design thinking tools to identify
unmet needs and to develop new academic
ideas

Get inspired by mentors from all around Europe
that will help you to work in multidisciplinary
teams

The Entrepreneurial Journey of 2024 is
focused on:

- Agriculture, food and environmental sustainability
- Challenges in ecosystem diversity and function
