

INNOVATION DAYS 2025

APRIL 3 AND 4 FROM 10 AM TO 6 PM

**A face to face event synchronized
with 9 different universities to develop
new solutions for societal challenges**

Know more about design thinking tools to identify
unmet needs and to develop new academic ideas
Get inspired by mentors from all around Europe that
will help you to work in multidisciplinary teams

The Entrepreneurial Journey of 2025 is focused
on:

- Emerging paradigm for Health and Wellbeing
- Heritage, Tourism and Sustainability Challenge
