

Dear colleagues,

we are pleased to announce that the 12th edition of the International Symposium **UNIVERSITARIA SIMPRO 2026**, organized by the University of Petroșani in collaboration with INCD INSEMEX PETROȘANI will take place between **22 - 24.10.2026**.

Topics covered include:

Advances in occupational safety science and occupational risk management

Challenges in geology, mining and mineral processing

Surveyor and civil engineering

Engineering and sustainable environmental protection

Innovative challenges in electrical engineering and energy technology

Responsible consumption and production

Developments in systems control, information technology and cybersecurity

Industrial, mechanical and transport engineering

Recent trends in business, economics, law and public administration

Contemporary approaches to quality assurance, management and marketing

Sustainable development in humanities, social sciences, education, research and interdisciplinary studies

Details regarding important aspects of the symposium (calendar, template, publication of papers, participation fees, other activities) will be available soon on the symposium site.

Until then, we wish you all the best and hope to see you again in October!

SIMPRO Team
