II. MODUL DE ORGANIZARE ȘI STATUTUL DE FUNCȚIONARE A CENTRULUI DE CERCETARE

1. Denumirea, participanți, structura, forma juridică, sediul, durata de activitate

Denumirea centrului este Centrul de Studii și Analize Teritoriale (CSAT)

Poate fi membru orice cadru didactic, cercetător, student, masterand sau doctorand al Universității din Oradea din domeniul Geografie sau din domenii conexe.

Centrul de cercetare aparține Departamentului de Geografie, Turism și Amenajarea Teritoriului, iar forul de conducere este Consiliul Științific, care este format din director, responsabili colectivelor de cercetare și secretarul științific al centrului.

CSAT este constituit ca unitate academică fără personalitate juridică în scopul desfășurării cercetării științifice de performanță în domeniul Geografiei.

Sediul CSAT este în cadrul Universității din Oradea, Facultatea de Geografie, Turism și Sport, Departamentul de Geografie, Turism și Amenajarea Teritoriului, str. Universității nr. 1, pav. C, et. II, sala C215.

Centrul de cercetare se constituie pe perioadă nedeterminată.

2. Scopul și necesitatea constituirii

Scopul principal al Centrului de Studii și Analize Teritoriale îl reprezintă desfășurarea cercetării științifice, atât fundamentale, cât și aplicative, în domeniile geografiei, turismului, amenajării teritoriului, precum și în plan interdisciplinar.

Printre principalele direcții de cercetare ale membrilor centrului se numără: studiul reliefului și al impactului antropic asupra acestuia, analiza riscurilor și hazardelor geografice, protecția mediului, realizarea de studii complexe de geografie regională și de organizare a spațiului, cercetări privind integrarea în Euroregiunea Carpatică și Bihor–Hajdu-Bihar, abordarea unor teme de geografie politică în Europa Centrală și de Est, precum și studii din domeniul turismului și al amenajării turistice.

3. Obiect de activitate

Centrul de Studii și Analize Teritoriale își propune desfășurarea următoarelor activități: diseminarea rezultatelor cercetării membrilor prin participarea la manifestări științifice și publicarea în reviste de specialitate recunoscute la nivel național și internațional (ISI și BDI); elaborarea de proiecte de cercetare cu finanțare națională și internațională; organizarea de conferințe, simpozioane și mese rotunde;

promovarea cercetării fundamentale și aplicative în domeniul geografiei; sprijinirea și implicarea studenților, masteranzilor și doctoranzilor în activitatea științifică; precum și dezvoltarea colaborărilor cu alte centre de cercetare din țară și din străinătate.

4. Principii de organizare și funcționare, organigrama

Centrul de Studii și Analize Teritoriale funcționează în cadrul Departamentului de Geografie, Turism și Amenajarea Teritoriului al Universității din Oradea. În prezent, toți membrii CSAT dețin titlul de doctor în știință.

Activitatea de cercetare științifică este coordonată de Consiliul Cercetării, format din director, secretarul științific și responsabili colectivelor de cercetare.

5. Patrimoniul Centrului de Cercetare

Rezultatele științifice ale cercetărilor, precum și bunurile materiale achiziționate sau realizate pe durata derulării contractelor finanțate din fonduri publice aparțin Centrului, dacă nu există alte prevederi contractuale. Finanțarea Centrului este asigurată atât de Universitatea din Oradea, cât și din veniturile proprii ale acestuia, iar bugetul este administrat de conducerea centrului.

6. Reglementări financiare

Finanțarea Centrului de cercetare este realizată prin mai multe surse, precum veniturile obținute din activități proprii – contracte de cercetare, colaborări cu mediul socio-economic, servicii de consultanță, expertize tehnice, organizarea de manifestări științifice, școli de vară și cursuri de specializare.

De asemenea, resursele financiare pot proveni din donații, sponsorizări și finanțări oferite de persoane fizice sau juridice, din țară ori din străinătate, precum și din donații de bunuri materiale primite de la aceleași categorii de donatori.

Aceste resurse sunt utilizate, cu respectarea legislației în vigoare, pentru realizarea obiectivelor prevăzute în statutul centrului.

7. Dispoziții finale

Baza de date a centrului are caracter confidențial și este destinată exclusiv utilizării interne, în scopuri de cercetare.

Centrul de cercetare poate dobândi personalitate juridică, cu acordul Adunării Generale.

Prevederile legislației în vigoare completează sau modifică de drept dispozițiile prezentului statut.

De asemenea, statutul poate fi revizuit în situația în care CSAT își modifică obiectul de activitate sau sediul.
